

Participation in the Dieppe International Kite Festival September 13 to 21, 2025

Thank you for your interest in the Dieppe Festival, which will take place from September 13 to 23, 2025.

For this edition, the flying areas will be revisited, as will certain customary practices.

There will be no honored guests or official delegations.

We will prioritize the kite flyers' personal work to return to the essence of this event.

This year's theme is **"SHAPES AND COLORS"**.

In this spirit, we encourage you to propose innovative creations and, above all, to avoid the commercialized products found all over the world, which have transformed kite events into amusement parks.

All creations are welcome, provided they were built by the kite flyer or are of specific interest.

A creative competition will be held on the theme of **"ASYMMETRICAL BALANCE"**.

The creations will be presented in advance in the Creative Workshop area and submitted to the public for judgement.

Judging will be provided by experienced kite flyers during the launch of the creations on **Saturday, September 20th**.

A night flight is scheduled for Saturday, September 20th, starting at 10:00 PM, as a thank you to the city for hosting the event.

Please send us your completed registration form before **01/08/2025** to the following address: cerfvolant@dieppetourisme.com .

Any missing information will result in the cancellation of your application.

This registration request does not constitute acceptance.
